Hey guys! I am from Colombia, but my home here in the states is Greenville, SC. I am a nursing major which keeps me busy, but I am enjoying getting further into the nursing program. While abroad, I went to 7 different countries and made the memories of a lifetime. I love traveling and that a piece of my heart is always left with different people in different places. It has taught me a lot about myself and the world we live in. I am so thankful for the opportunity to work as a UNIC intern and am so excited to grow, learn, and get to know all of you more. Go Tigers!

Hi! My name is Krista Taylor and I am a junior marketing major from Ithaca, New York. I had the amazing opportunity to study abroad in Florence, Italy in the Spring of 2019 at the Lorenzo de' Medici International Institute. While in Florence I was able to travel to 13 different countries and visit nearly 40 beautiful cities. While Florence remained my favorite, Santorini, Greece, and the Canary Islands became some of my most memorable trips. Studying abroad allowed me to see the world, try new things, and meet new people. I remain very grateful to have had this opportunity

Hey guys! Studying abroad has always been a dream of mine and I couldn't have asked for a better experience. I was able to meet so many people from not only all over the U.S. but all over the world! During my time abroad, I was able to finish the remainder of my French credit as well as work an internship! IAU has a large variety of courses to choose from and they also stress the importance of hands on learning! We were able to take so many trips as a school to places such as Monte Carlo for a discounted price! I loved every minute of my time abroad and can't wait to one day visit Aix again!

CAELIN MCDONALD

Major: Business Management
Location: Bilbao, Spain
Program: 3rd Party - USAC
Term: Spring 2018
Contact: caelinm@clemson.edu

Hi, I'm Caelin and I'll be working as the USAC intern in Clemson's Abroad Office. Born and raised in a coastal town just outside of Boston, I grew up an avid Red Sox fan who loves a good day at the beach. At Clemson, I'm a senior Business Management Major with a focus on Entrepreneurship and Marketing. This past spring semester of 2018, I was fortunate enough to study in Bilbao Spain at the Universidad del País Vasco, through USAC. During the semester, I participated in an ESL program teaching English to Basque students. While in Europe, I definitely caught the travel bug, and am hoping to spend some time back there in the future. In May 2020, I'll be graduating and moving back to Boston, cheering on the Tigers from all the way back up North.
